The NR Hunter Derby

In the two-round format, the open numerical system to score competitors in the Classic Hunter Round (first round) on performance, hunter pace, jumping style, quality and substance, and movement. In addition, the base score in the Handy Hunter Round (second round) reflects brilliance of pace and handiness.

In each round, after the judges' base score is given, one point will be added for each high-option fence jumped up to a maximum of four. The point must be added even if there is a refusal, rail down or loss of good jumping style at that fence, providing that the horse-and-rider combination does jump the higher height fence option.

Obstacles are reminiscent of the hunt field and must offer a variety of appearances, such as natural post and rail, stone wall, white board fence or gate, coop, aiken, hedge, oxer, brush, logs and natural foliage. The Handy Hunter Round should simulate riding over hunt country and incorporate options such as tight turns, clever options for jump approaches, hand galloping and trotting a fence.

Fence heights will be set at 2'6", with four high option fences set at 3'.

* denotes 1st round of Classics

Dear horse show friends,

We would like extend a heartfelt thank to everyone that has supported our horse show series for the last 3 years. This will be our 4th season and we hope that you will continue to enjoy the fun, friendly, professional atmosphere that we strive to give to each and every one of our exhibitors and spectators.

We have made a couple changes that you will notice as you read through the prizelist. One of them being the date of our Finals for the Derby, Jumper Cup, and Equitation Final. This year we will host all of our finals in September in hopes of having better weather for the weekend. That will leave us with our last show in October where, with some mother nature cooperation, we are hoping to have a few very different and super fun classes that will be disclosed later in the season. Stay tuned for that!!

So once again thank you to all, and we are looking forward to another great show season at North Riding!!!

Sincerely yours,

North Riding horse show management
